PLAINTIFF’S UNOPPOSED MOTION FOR ORDER OF DISMISSAL

Plaintiff Natalia Kupiec respectfully moves the Court for an order of dismissal without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2). Ms. Kupiec has informed Defendants that she will pursue her pending individual claims in arbitration. Ms. Kupiec continues to disagree with Defendants’ legal and factual arguments in support of their motion to compel arbitration, including the notion that Ms. Kupiec’s attorneys bound her to Defendants’ terms of service or an arbitration agreement merely by including screenshots of Defendants’ website in her complaint. However, the burden and delay in reaching the merits of her and the putative class’s claims caused by the ancillary discovery on arbitration counsels in favor of Ms. Kupiec arbitrating her individual claims. Because Ms. Kupiec previously filed and voluntarily dismissed a case against Defendants regarding the same claim, a court order is required to dismiss her claim here without prejudicing her ability to pursue it on the merits in arbitration. *See* Fed. R. Civ. P. 41(a)(1)(B).

Ms. Kupiec’s counsel met and conferred with Defendants’ counsel, and Defendants’ counsel indicated that Defendants do not oppose the relief sought by this motion.

Ms. Kupiec respectfully requests that the Court dismiss her claim without prejudice, with each party to bear their own fees and costs.
